

TABLE OF CONTENTS

1.0	INTRODUCTION.....	1-1
2.0	ERRATA.....	2-1
3.0	ADDITIONAL INFORMATION.....	3-1
3.1	TRAFFIC AND CIRCULATION.....	3-1
3.2	AIR QUALITY MODELING – OPERATIONS (CALEEMOD 2013.2.2)	3-3
3.3	AIR QUALITY MODELING – CONSTRUCTION (CALEEMOD 2013.2.2)	3-7
3.4	CLIMATE CHANGE - BUSINESS AS USUAL ANALYSES	3-9
3.5	AMBIENT NOISE MONITORING	3-13
3.6	CONSTRUCTION EQUIPMENT NOISE ATTENUATION.....	3-14

APPENDICES

- Appendix AM: Memorandum from Gibson Transportation Consulting, Inc. to LSA Associates, Inc. regarding Estimation of Average Trip Lengths To and From Century City Center (October 6, 2014)
- Appendix AN: Supplemental CalEEMod Information for Section 3.0, Additional Information, Air Quality Modeling (Construction and Operations) and Climate Change (Business-as-Usual Analyses)
- Appendix AO: Employee Density Survey Results
- Appendix AP: LADOT Assessment Letter for Alternative 9
- Appendix AQ: Memorandum from Gibson Transportation Consulting, Inc. to LSA Associates, Inc. regarding Analysis of Alley Access to Century City Center (September 30, 2014)
