Hi Mr. Huerta,

I wanted to show my support for the above project. I've lived in the area for over a year now and it needs major improvements. There is a lack of entertainment, restaurants, and housing in the area. I've seen some new housing and a couple of new restaurants to eat lately, but it needs more. I currently walk into Hollywood or take a car down to the Melrose area. Although Hollywood is relatively safe to walk into, it would be an excellent addition to the area for this project to go through.

Thank you,
