Hi Alejandro,

I'm a professional musician here in Hollywood and for nearly the past decade my work space has been located at 6760 Selma Ave. This music rehearsal/studio building has been here for 40+ years and is one of the few easily accessible and affordable studios in Hollywood. It's a very important place to me personally because it is where I spend most of time recording, giving lessons and rehearsing. It would be difficult to replace the function and purpose it serves me.

Thank you for considering my opinion on the Crossroads LA development.

Cheers,  
Grant Jordan
