

INTERSECTIONS
 Intersections are small scale gateways to each urban block and thus should be addressed appropriately. The following intersections have potential application to this project:

- 12th and MAIN
- 12th and BROADWAY
- 11th and BROADWAY
- 11th and HILL

NORTH-SOUTH STREETS
 Streets oriented north-south serve to connect the Herald project to the Civic District of downtown Los Angeles. The following streets are applicable to this project:

- BROADWAY FICUS SP. + PALM
- HILL STREET FICUS SP.
- MAIN STREET LONDON PLANE

EAST-WEST STREETS
 Streets oriented east-west serve to connect the Herald project to the Staples Center and the adjacent freeways of I-10 and I-110. The following streets are applicable to this project:

- 11th Street BRADFORD PEAR
- 12th Street BRADFORD PEAR
